Sir:

Applicants hereby petition the Assistant Commissioner to accept the following statement of facts in lieu of a signed declaration of inventor Maureen Costello. Dr. Maureen Costello refuses to sign the declaration for the above-captioned application.

The petition fee of \$130.00 as required by 37 C.F.R. § 1.17(h) is enclosed herewith. However, if the Patent Office determines that additional fees are due, the Assistant Commissioner is hereby authorized and directed to debit our Deposit Account No. 19-0733.

STATEMENT OF FACTS

1. Ms. Jan Candelaria, manager, administration of Copernicus Therapeutics Inc., sent a copy of the Joint Declaration for Patent Application and Assignment to Dr. Costello by Federal Express on October 8, 2001. The papers sent by Federal Express could not be delivered to Dr. Costello. A copy of the memorandum sent with the Joint Declaration and Assignment to Dr. Costello indicates that the Joint Declaration for Patent Application and Assignment papers were enclosed for Dr. Costello's signature. See Exhibit 1. A Federal Express airbill was affixed to the Federal Express package sent to Dr. Costello on October 8, 2001. See Exhibit 2. The tracking number is indicated as 828748717952 on the top of the airbill. The tracking record of Federal Express package 828748717952 indicates that on October 9, 2001 at 09:56 the customer was not available or business was closed. See Exhibit 3. The package was returned to Ms. Candelaria because it could not be delivered to Dr. Costello. See Exhibit 4.
2. Ms. Candelaria sent a follow-up copy of the Joint Declaration for Patent Application and Assignment to Dr. Costello with a copy of the application on October 12, 2001 in a Federal Express package. See Exhibit 5. Ms. Candelaria included a memorandum in the Federal Express package. See Exhibit 6. The memorandum states that the Federal Express package contains a copy of the application with the signature pages. The Federal Express detailed tracking results indicate that the Joint Declaration for Patent Application, Assignment, and Patent Application papers were delivered on October 13, 2001 at 11:12. See Exhibit 7.
3. Dr. Costello did not return the executed documents to Ms. Candelaria.
4. I, Michelle Holmes-Son, spoke with Dr. Costello on November 12, 2001. I told Dr. Costello that I had a Federal Express tracking record that indicated that she had received the

Patent Application, Joint Declaration for Patent Application and Assignment papers for the above-mentioned application. I then asked her if she would sign the papers. Dr. Costello informed me that she "wants no part of it" and will "not sign it." She also informed me that she had previously informed Robert Moen, President and CEO of Copernicus Therapeutics, Inc., and Mark Cooper, Senior Vice President, Science and Medical Affairs of Copernicus Therapeutics, Inc., that she will not sign the papers. A copy of my contemporaneous notes of the telephone conversation with Dr. Costello is attached. See Exhibit 8.

POINT TO BE REVIEWED

The point to be reviewed is whether the above-mentioned application should be accepted as complete even though one of the inventors, Maureen Costello, refuses to sign the Joint Declaration for Patent Application.

ACTION REQUESTED

Applicants request that this petition under 37 CFR 1.47 be accepted in lieu of Dr. Costello's signed inventor's declaration and that the application be considered as fulfilling the requirements for filing a nonprovisional application.

STATEMENT OF LAST KNOWN ADDRESS

The last known address for Dr. Costello is:
